

All Things Go
Nicki Minaj

D E F#m
Yo, I had to reinvent, I put the V in vent
D E F#m
I put the heat in vents, man I been competin since
D E F#m
I look beyond what people sayin , and I see intent
D E F#m
Then I just sit back and decipher, what they really meant
F#m E F#m
Cherish these nights, cherish these people
F#m E
Life is a movie, but there will never be a sequel
F#m E F#m
And I m good with that, as long as I m peaceful
F#m E
As long as 7 years from now, I m taking my daughter to preschool
F#m E
Cherish these days, man do they go quick
F#m E
Just yesterday, I swear it was o six
F#m E
Ten years ago, that s when you proposed
F#m F#m
I look down, yes I suppose

Chorus:

D E F#m
All things go,
D E F#m
All things go,
D E F#m
All things go,
D E F#m
All things go,

D E F#m
I feel one minute, yeah we got it then its gone
D E F#m
While we keep waiting for a moment till it falls
D E F#m
So can t nobody ever tell me that I m wrong
D E F#m
Cause I ma ride I m with you still the night is young
D
We keep goin , we go, we go, we go
F#m D
We wake back up and do it all again

E **F#m** **D**
and We know, we know, say fuck the world, we ridin til the end

E **F#m**
when all is said and done, look what we ve become

D **E** **F#m**
I just want you to know that I did it all for you

F#m **E**
I lost my little cousin to a senseless act of violence

F#m **E**
His sister said, he wanted to stay with me, but I didn t invite him

F#m **E**
Why didn t he ask, or am I just buggin ?

F#m
Cause since I got fame, they don t act the same

E
Even though they know, that I love him

F#m **E**
Family ties, broken before me,

F#m **E**
niggas tryna kill him, he ain t even call me

F#m **E**
And that s the reflection of me, yes I get it, I get it, it was all me
F#m **F#m**
I pop a pill and remember the look in his eyes, the last day he saw me

Chorus:

D **E** **F#m**
All things go,
D **E** **F#m**
All things go,
D **E** **F#m**
All things go,
D **E** **F#m**
All things go,

D **E** **F#m**
I feel one minute, yeah we got it then its gone
D **E** **F#m**
While we keep waiting for a moment till it falls
D **E** **F#m**
So can t nobody ever tell me that I m wrong
D **E** **F#m**
Cause I ma ride I m with you still the night is young

D
We keep goin , we go, we go, we go
F#m **D**
We wake back up and do it all again

E **F#m** **D**
and We know, we know, say fuck the world, we ridin til the end
E **F#m**
when all is said and done, look what we ve become
D **E** **F#m**

I just want you to know that I did it all for you

F#m **E**
Let me make this clear I m not difficult, I m just about my business
F#m **E**
I m not into fake industry parties, and fake agendas
F#m **E**
Rock with people for how they make me feel not what they give me
F#m **E**
Even the ones that hurt me the most, I still show forgiveness
F#m **E**
I love my mother more than life itself, and that s a fact
F#m **E**
I d give it all, if I could somehow, just rekindle that
F#m **E**
She never understands, why I m so overprotective
F#m **E**
The more I work, the more I feel like, somehow they re neglected
D **E** **F#m**
I want Caiah to go to college, just to say We did it!
D **E** **F#m**
My child with Aaron, would ve have been sixteen, any minute
D **E** **F#m**
So in some ways I feel like Caiah, is the both of them
D **E** **F#m**
It s like he s Caiah s little angel, looking over him
F#m **E**
And I know Jelani will always love me, and I ll always love him
F#m **E**
And I m just his little sister not Nicki Minaj when I m around him
F#m **E**
Gee we did it, let s leave this imprint
F#m
Just finished writing, this is the Pinkprint

Chorus:

D **E** **F#m**
All things go,
D **E** **F#m**
All things go,
D **E** **F#m**
All things go,
D **E** **F#m**
All things go,

D **E** **F#m**
I feel one minute, yeah we got it then its gone
D **E** **F#m**
While we keep waiting for a moment till it falls
D **E** **F#m**
So can t nobody ever tell me that I m wrong
