

**Bed Of Lies**  
**Nicki Minaj**

**B**                    **F#/A#**                    **G#m**  
Do you ever think of me, when you lie?  
**F#/A#**                    **B**  
Lie down in your bed, your bed of lies  
**F#/A#**                    **G#m**  
And I knew better, than to look in your eyes  
**F#/A#**                    **B**  
They only pretend, you will be mine  
**E**                    **B**                    **F#**  
And you know how you made me, believe  
**E**                    **B**                    **F#**  
You had me caught in every web, that you weaved  
**B**                    **F#/A#**                    **G#m**  
But do you ever think of me, when you lie?  
**F#/A#**                    **B**  
Lie down in your bed your bed of lies

For Nicki Minaj part, play these four chords: (B, F#/A#, G#m, F#/A#, B)

[Nicki]

You could never make eye contact

Everything you got was based off of my contacts

You a fraud, but I mma remain icon-stat

Balenciaga s on my boots with the python strap

(Countinue...)

You was caught up in the rush, and you was caught up in the thrill of it  
You was with me way before, I hit a quarter mil in it  
Put you in the crib and you ain t never pay a bill in it  
I was killin it, man you got me poppin pills in it  
I told Baby hit you, I said this nigga buggin  
Cause I was doing it for us, I told em fuck the public  
Couldn t believe that I was home alone, contemplating  
Overdosin , no more coastin , no more toastin over oceans  
They say you don t know what you got til it s gone  
They say that your darkest hour come before your dawn  
But there was something that I should ve asked all along  
I mma ask on the song

[Skylar]

**Em**                    **C**                                    **G**                                    **D**  
Then I m ashamed to say that I m not over you

**Em**                                    **C**  
There s one thing I need to know

**G**                    **D**                                    **Em**    **C**                                    **G**                                    **D**  
So call me, when you re not so busy just thinking of yourself

[Skylar - Outro]

**G**                                    **D**                                    **Em**  
Do you ever think of me, when you lie?

**C**                    **D**                                    **G**  
Lie down in your bed, your bed of lies

**Em**                                    **D**                                    **G**  
And I knew better, than to look in your eyes

**C**                    **D**                                    **G**  
They only pretend, you will be mine

**C**                                    **G**                                    **D**  
And you know how you made me, believe

**C**                                    **G**                                    **D**  
You had me caught in every web, that you weaved

**Em**                                    **D**                                    **G**  
But do you ever think of me, when you lie?

**C**                    **D**                                    **G**  
Lie down in your bed your bed of lies
