

**Bang Bang My Baby Shot Me Down**  
**Nico Vega**

I found Nico Vega's version of this song differed from Nancy Sinatra's that I couldn't play along using the available tabs, so I decided to make one instead. All C chords (C, Cm, C#, C7) should be barred.

[Verse 1]

**Fm**

I was five, and he was six

**Cm**

We rode on horses made of sticks

**C#**

He wore black, and I wore white

**C**

He would always win the fight

[Chorus]

**Fm**

Bang bang. He shot me down

**Fm**

Bang bang. I hit the ground

**C#**

Bang bang. That awful sound

(**Bbm**) **C**

**Fm**

**Bbm C Fm**

Bang bang. My baby shot me down

[Verse 2]

**Fm**

Seasons came, and changed the time

**Fm**

When I grew up I called him mine

**Bbm**

He would always laugh and say

**C7**
