to read the signs carefully

now that it s light

now that candle s falling smaller in my mind

now that its here

now that i m almost not so very far behind

i want to know

do i stay or do i go

and maybe follow another sign

and do i really have a song that i can ride on?

now that i can
now that its easy, ever easy all around
now that i m here
now that i m falling to the sunlights and a song
i want to know
do i stay or do i go
and do i have to do just one
and can i choose again if i should lose the reason?

yes, and the morning has me
looking in your eyes
and seeing mine warning me
to read the signs more carefully

now that i smile
now that i m laughing even deeper inside
now that i see
now that i finally found the one thing i denied
its now i know
do i stay or do i go
and it is finally i decide
that i ll be leaving in the fairest of the seasons
