You know you ll just have to go bury this

In the garden and leave it till there s nothing left
Bm **F#m**
For me to find,
A
when I try to dig it up
E
And bring it back to life

[Chorus]

Bm **F#m**
Cause you know how I get
A **E**
I love you so madly like Sadie Mae
Bm **F#m**
But I m just a crazy bitch

Crying in the kitchen to Tammy Wynette (Tammy Wynette)
