Liberty and victory

**Bb Eb Bb Eb**

is the key to realize our dreams

When our world has turn to pain

**Bbm C Bb**

Bones and blood will call your name

**Bbm C**

Choose the right path for you

**Bb**

Take me down to your liberty

**Eb Gm**

I donâ€™t know what you did to me tonight

**Eb**

Iâ€™ll be happy to be the one

**Bb**

Take me down to your victory

**Eb Gm**

I donâ€™t know what you did to me tonight

**Eb Bb**

Iâ€™ll be happy to fight for love, for love

**Bb Eb Bb Eb**

Ride the oceanâ€™s tide of life,

**Bb Eb**

beat the sorrow Youâ€™re

**Bbm C**

born to win the fight

**Bb**

Take me down to your liberty

**Eb Gm**

I donâ€™t know what you did to me tonight

**Eb**

Iâ€™ll be happy to be the one

**Bb**

Take me down to your liberty

**Eb Gm**

I donâ€™t know what you did to me tonight

**Eb Bb**

Iâ€™ll be happy to fight for love,

**Bb**

Ride the chaos storm of time

**Dm**

And watch the wheel of life

**Eb**

As we kiss until the morning sun

**Bb F**

Rise and rise and rise

**Bb**

Ride the tanks of war and peace

**Dm**

It all seems very real

**Eb**

Let's make love across horizon

**Bb F**

Rise and rise and rise

**Bb**

Take me down to your liberty

**Eb Gm**

I don't know what you did to me tonight

**Eb**

I'll be happy to be the one

**Bb**

Take me down to your liberty

**Eb Gm**

I don't know what you did to me tonight

**Eb Bb**

I'll be happy to fight for love, for love
