When our world has turn to pain

**Bm C# B**

Bones and blood will call your name

**Bm C#**

Choose the right path for you

**B**

Take me down to your liberty

**E G#m**

I donâ€™t know what you did to me tonight

**E**

Iâ€™ll be happy to be the one

**B**

Take me down to your victory

**E G#m**

I donâ€™t know what you did to me tonight

**E B**

Iâ€™ll be happy to fight for love, for love

**B E B E**

Ride the oceanâ€™s tide of life,

**B E**

beat the sorrow Youâ€™re

**Bm C#**

born to win the fight

Take me down to your liberty

**E G#m**

I donâ€™t know what you did to me tonight

Take me down to your liberty

**E G#m**

I donâ€™t know what you did to me tonight

**E B**

Iâ€™ll be happy to fight for love,

**B**

Ride the chaos storm of time

**Ebm**

And watch the wheel of life

**E**

As we kiss until the morning sun

**B F#**

Rise and rise and rise

**B**

Ride the tanks of war and peace

**Ebm**

It all seems very real

**E**

Letâ€™s make love across horizon

**B F#**

Rise and rise and rise

**B**

Take me down to your liberty

**E G#m**

I donâ€™t know what you did to me tonight

**E**

Iâ€™ll be happy to be the one

**B**

Take me down to your liberty

**E G#m**

I donâ€™t know what you did to me tonight

**E B**

Iâ€™ll be happy to fight for love, for love
