Night Beds

Intro: C F

C

A part of me, I call a stranger

F

This part of me, I found in danger

C

We saw the night, you fessed it out

F

C

Across time, wearin my heart s smile

C F

C

All too dark, words left to finish

F

We tread, the ground, over my head

C

All the skie was pine, tress off your neck

F

C

From where love was found, rolled up in chains

C F

F

When I tried the search to find the cause

Am

Em

F

In your eyes I ll lose my mind in colors

C

In an old- world I know not

F

In the August night, we hear the train sound

C

All again, songs soft fell left

F

C

The vacant sign my soul will not keep
