Intro: **C#**

C#
Even if we try, even if we try
G#
To make ourselves alright
To mend our severed lies

Well all the rivers rage
Descend upon this age

Running melodies
I lift my voice to sing

F# C# C#
Ooh

C#
Holding to the past
Clouding in my glass
G#
Lever on my youth
Remember what is true
C#
As you watch the colors
Fleeting with the cover
G#
Nature set on fire
Truth found in the mire

F# C#
Ooh

F#
Stumbling down the hillside
In the waning moon light
C#
Hear me, calling
    F#
And wailing on the doldrums
                         C#
Had ourselves a lonesome night,
       C#
Passed over

C#
Down long hollow road
It s wilted, winding bones
G#
Come on Johnny please, won t you speak to me?
