Night Beds - Even If We Try

Capo 3

Intro: **B**

**B**

Even if we try, even if we try

**F#**

To make ourselves alright

To mend our severed lies

**B**

Well all the rivers rage

Descend upon this age

**F#**

Running melodies

I lift my voice to sing

**E B B**

Ooh

**B**

Holding to the past

Clouding in my glass

**F#**

Lever on my youth

Remember what is true

**B**

As you watch the colors

Fleeting with the cover

**F#**

Nature set on fire

Truth found in the mire

**E B**

Ooh

**E**

Stumbling down the hillside

In the waning moon light

**B**

Hear me, calling

**E**

And wailing on the doldrums

**B**

Had ourselves a lonesome night,

**B**

Passed over

**B**

Down long hollow road

It s wilted, winding bones

**F#**

Come on Johnny please, won t you speak to me?

**E B**
