**Em C Am Em**

**Em** All my life you have been here beside me

**Em**  
Now you re gone

**C**  
I m sorry that I couldn t see

**Am**  
That I treated you wrong

**Em**  
That I drove you away

**Am** Oh... my love don t leave me here alone  
**Em**

**Am D Em**  
Oh... I cannot make it on my own

**Am Em**  
Without you all I am will slowly fall apart

**Am D Em**  
I need you here to bring some light into my heart

**Em C Am Em**

**Em** Now and then I feel you inside of my soul  
**C**

**Am**  
Like a flash of light

In the dead of night
