## Feel For You Nightwish

A very nice song and unbelievable there were no chords in the internet yet? So, here is my version, pretty simple. All parts without chords are played like the first verse.

## Am G D Am

Am G

You were my first love

D Am

The earth moving under me

Dm G

Bedroom scent, beauty ardent

F

Distant shiver, heaven sent

I m the snow on your lips

The freezing taste, the silvery sip

I m the breath on your hair

The endless nightmare, devil s lair

[Replay Intro]

Only so many times

I can say I long for you

The lily among the thorns

The prey among the wolves

Am G

Someday, I will feed a snake

D Am

Drink her venom, stay awake

Dm

With time all pain will fade

F I

Through your memory I will wade

Dm Am

Barely cold in her grave

 $\mathbf{F}$  (E)

Barely warm in my bed

Dm Am

Settling for a draw tonight

F (A G) D

Puppet girl, your strings are mine
