## Planet Hell Nightwish

Em Am
Denying the lying

Em G D

A million children fighting

Em Am

For lives in strife

Em G D

For hope beyond the horizon

Em Am

A dead world, a dark path

Em G D

Not even crossroads to choose from

Em Am

All the bloodred Carpets before me

Em G D B

Behold this fair creation of God!

Em Am C A

My only wish to leave behind

G Am Em

All the days of the Earth

Am C A G

An everyday hell of my kingdom come!

Em Am

The first rock thrown again

Em G D

Welcome to hell, little Saint

Em Am

Mother Gaia in slaughter

Em G D

Welcome to paradise, Soldier

Em Am

My first cry neverending

Em G D

All life is to fear for life

Em Am

You fool, you wanderer

Em G D B

You challenged the gods and lost

Em Am Em

Save yourself a penny for the ferryman

Am G D

Save yourself and let them suffer

Em

In hope

Am

In love

111 1010

Em G

This world ain t ready for the Ark

Em Am Em

Save yourself a penny for the ferryman

Am G D

Save yourself and let them suffer

Εm

In hope

Am

In love

Em G B

Mankind works in mysterious ways

[Spoken]

Welcome down to my planet hell

[Repeat the chords from above]

Save yourself a penny for the ferryman

Save yourself and let them suffer

In hope

In love

This world ain t ready for the Ark

Save yourself a penny for the ferryman

Save yourself and let them suffer

In hope

In love

Mankind works in mysterious ways
