

**Wish I Had An Angel**  
**Nightwish**

(The Original is played in dropped D Tuning.)

[Intro]

**Am** **Em**  
I wish I had an angel  
**Am** **Em**  
For one moment of love  
**C** **D** **Em**  
I wish I had your angel tonight

[Verse]

**Em**  
Deep into a dying day  
**C** **G** **D**  
I took a step outside an innocent heart  
**Em**  
Prepare to hate me fall when I may  
**C** **G** **D**  
This night will hurt you like never before

[Pre-Chorus]

**C** fis **Em**  
Old loves they die hard  
**C** fis **G** **D**  
Old lies they die harder

[Chorus]

**Em**  
I wish I had an angel  
For one moment of love  
**C**  
I wish I had your angel  
**D** **D**  
Your Virgin Mary undone  
**Am** **Em**  
I m in love with my lust  
**D** **G**  
Burning angelwings to dust  
**Am** **C** **Hm** **G** **Em**  
I wish I had your angel tonight

[Verse]

**Em**  
I m going down so frail and cruel  
**C** **G** **D**  
Drunken disguise changes all the rules

[Pre-Chorus]

**C**                fis    **Em**  
Old loves they die hard  
**C**                fis    **G**        **D**  
Old lies they die harder

[Solo]

**D**                **C D**                **G C**    (8T.)

[Bridge]

**Em**  
Greatest thrill  
Not to kill  
**F**  
But to have the prize of the night  
**Em**  
Hypocrite  
**Cadd9**  
Wannabe friend  
**Em**  
13th disciple who betrayed me for nothing!  
**Dm**  
Last dance, first kiss  
**C**  
Your touch my bliss  
**Dm**                                **F**        **C**  
Beauty always comes with dark thoughts

[Pre-Chorus]

**C**                fis    **Em**  
Old loves they die hard  
**C**                fis    **G**        **D**  
Old lies they die harder

[Chorus]

**Em**  
I wish I had an angel  
For one moment of love  
**C**  
I wish I had your angel  
**D**                                **D**  
Your Virgin Mary undone  
**Am**                                **Em**  
I m in love with my lust  
**D**                                **G**  
Burning angelwings to dust  
**Am**                                **C Hm G Em**  
I wish I had your angel tonight

[Outrol]

**E**  
I wish I had an angel  
I wish I had an angel

I wish I had an angel

I wish I had an angel
