Nik Freitas - Ulcer

E **G** **A**
There s a crease in the will
E **G** **A**
Like some stupid little thing you tried
E **G** **A**
Ulcers where oil spills
E **G** **A**
From an engine that s been idling on dry
E **G** **A**
ooooooooohh oooooooooohhhh
E **G** **A**
ooooooooohh oooooooooohhhh
E **G** **A**
Cold feet never move
E **G** **A**
like some stupid little thing they want to prove
E **G** **A**
Sugar feeds all the weeds
E **G** **A**
they keep coming up around my knees
G **A** **Bm** **D**
I hear a screeeeeeaaamm
Em **G** **A**
keep it to yourslef
Em **G** **A**
well keep it to yourself
G **A** **Bm** **D**
stitch you heart where it bleeeeeeds
Em **G** **A**
and keep it to yourself (repeat) 4 x

A

Well dust is burning my eyes
E **G** **A**
Like some stupid little vision bored out of it s mind
E **G** **A**
Finger prints on your soul
E **G** **A**
And more than failed attempts filling a hole

G **A** **Bm** **D**
I hear a screeeeeeaaamm
Em **G** **A**
keep it to yourslef
Em **G** **A**

well keep it to yourself

G **A** **Bm** **D**

stitch you heart where it bleeeeds

Em **G** **A**

and keep it to yourself (repeat) 4 x
