Nik Freitas - Under a goodbye
(This song has melody notes)

A

Heavy is the sound
Aiming eyes towards the ground

Bminor **D**

And this is how it feels under a goodbye

A

Pulling away from the curb
Lines in the windshield are getting blurred

Bminor **D**

And this is how it looks Through a goodbye
(Harmonica) **A** , **A**

A

Stare into picture frames
Friends take the shape of canes

Bminor **D** **A**

And this is how you stand next to a goodbye

Bminor

No ships move on the water

F#minor

Too much food left on my plate

D

No stars up in the sky

Bminor

Sleep is for the lucky ones

F#minor

Who have their head on straight

A **A7**

Unwinding all the time

(Harmonica) **D**, **A**, **Bminor**, **F#minor**, **G**, **A**, **D**

So cover up your memories
Look to the wind for company

Bminor **D**

Cause this is what you do

after a goodbye
