

**Was Here**

**Nik Freitas**

Was Here - Nik Freitas key is F#, but it might be used with a capo? or maybe tuned down a half step and played in G position? In that case just tune guitar down, and transpose to G

**G** , **C** (melody notes) , **G** **G/F#** ,  
**Em** (melody notes) to **C** then **G**

**G** **C**  
Fumblin through

(melody notes) **G** **G/F#** , **Em**

all the stationary miles

(melody notes) **B**

questions marks march

**G**  
in single file

**G** **C**  
in fillin the lanes

(melody notes) **G** **G/F#** , **Em**

with conventional denial

(melody notes) **C** **G**

progress doesn t stop to reconcile

**Em**  
n All the while

**Am**  
you d seen enough

**Em** **Am**  
haughlin round the obvious

**C** **G** **C** (melody notes) , **G**  
**G/F#** , **Em** (melody notes) to **C** then **G**  
tied to a string

**C**                    **D**                    **G**  
channels are changin outside  
**G** **G/F#**    **Em**  
And now it looks as though  
          **C**                                    **G**  
our favorite show won t rewind  
**C**                    **D**  
Seems we missed the part  
          **G** **G/F#**                    **Em**  
where love was all ya d need  
          **C**                                    **Am**  
it s your life it s my life  
          **D**  
it s our lives

**G**                    **C**  
Stumblin on

(melody notes)                    **G** **G/F#, Em**

these impulse related tides

(melody notes)    **C**                                    **G**

pinching to            pay off the ride

**G**                                    **C**  
so put in your name

(melody notes)    **G** **G/F#, Em**

scroll into exile

(melody notes)                    **C**                                    **G**

Find out what your supossed to be

**Em**  
n All the while

**AM**  
you d seen enough

**Em**                                    **A**  
all in round the saddest stuff

**C**                    **G**                    **C, Em, A, D, G**  
tied to a string

End on F#
