

Dark Glasses
Nik Kershaw

Nik Kershaw - Dark Glasses

E

Let him be me
Let him be me

F#m **E** **D**
I am a yes-man i stay in line

E **A** **E**
I do what they tell me

F#m **E** **D**
I am theirs but I m still mine

E **F#m** **E**
I do what they tell me

D **E** **F#m**
I do what they say

F#m **E** **D**
Taking orders as they come

E **A** **E**
I do what they tell me

F#m **E** **D**
Always silent, never dumb

E **F#m** **E**
I do what they tell me

D **E** **F#m**
I do what they say

A **C#m** **B**
Behind my dark glasses

A **E**
There s a man who has a point of view

C#m **A** **E**
Let him see, yeah, let him see

C#m **B**
Behind my dark glasses

A **E**
There s a man who has some feelings too

C#m **A** **E**
Let him be me, yeah, let him be me

E
Let him be me

E
Let him be me

F#m **E** **D**
Never question wrong or right

E **A** **E**
I do what they tell me

F#m **E** **D**
Never argue, never fight

E **F#m** **E**
I do what they tell me

D **E** **F#m**
I do what they say

F#m **E** **D**
Pull my trigger, close my eyes

E **A** **E**
I do what they tell me

F#m **E** **D**
Act my part and tell their lies

E **F#m** **E**
I do what they tell me

D **E** **F#m**
I do what they say

A **C#m** **B**
Behind my dark glasses

A **E**
There s a man who has a point of view

C#m **A** **E**
Let him see, yeah, let him see

C#m **B**
Behind my dark glasses

A **E**
There s a man who has some feelings too

C#m **A** **E**
Let him be me, yeah, let him be me

E
Let him be me

E
Let him be me

E
Let him be me

E
Let him be me

[Play Chorus]
Let him be me
Let him be me

A **C#m** **B**
Behind my dark glasses

A **E**
There s a man who has a point of view

C#m A E
Let him see, yeah, let him see
C#m B
Behind my dark glasses
A E
There s a man who has some feelings too
C#m A E
Let him be me, yeah, let him be me

A C#m B
Behind my dark glasses
A E
There s a man who has a point of view
C#m A E
Let him see, yeah, let him see
C#m B
Behind my dark glasses
A E
There s a man who has some feelings too
C#m A E
Let him be me, yeah, let him be me
