Nik Kershaw

Nik Kershaw - Dark Glasses

D

Let him be me
Let him be me

Em **D** **C**
I am a yes-man i stay in line
 D **G** **D**

I do what they tell me
Em **D** **C**
I am theirs but I m still mine
 D **Em** **D**

I do what they tell me
C **D** **Em**
I do what they say

Em **D** **C**
Taking orders as they come
 D **G** **D**

I do what they tell me
Em **D** **C**
Always silent, never dumb
 D **Em** **D**

I do what they tell me
C **D** **Em**
I do what they say

G **Bm** **A**
Behind my dark glasses
 G **D**
There s a man who has a point of view
Bm **G** **D**
Let him see, yeah, let him see
 Bm **A**
Behind my dark glasses
 G **D**
There s a man who has some feelings too
Bm **G** **D**
Let him be me, yeah, let him be me
D
Let him be me
D
Let him be me

Em **D** **C**
Never question wrong or right

D **G** **D**
I do what they tell me

Em **D** **C**
Never argue, never fight

D **Em** **D**
I do what they tell me

C **D** **Em**
I do what they say

Em **D** **C**
Pull my trigger, close my eyes

D **G** **D**
I do what they tell me

Em **D** **C**
Act my part and tell their lies

D **Em** **D**
I do what they tell me

C **D** **Em**
I do what they say

G **Bm** **A**
Behind my dark glasses

G **D**
There s a man who has a point of view

Bm **G** **D**
Let him see, yeah, let him see

Bm **A**
Behind my dark glasses

G **D**
There s a man who has some feelings too

Bm **G** **D**
Let him be me, yeah, let him be me

D
Let him be me

D
Let him be me

D
Let him be me

D
Let him be me

[Play Chorus]
Let him be me
Let him be me

G **Bm** **A**
Behind my dark glasses

G **D**
There s a man who has a point of view

Bm **G** **D**
Let him see, yeah, let him see
 Bm **A**
Behind my dark glasses
 G **D**
There s a man who has some feelings too
Bm **G** **D**
Let him be me, yeah, let him be me

G **Bm** **A**
Behind my dark glasses
 G **D**
There s a man who has a point of view
Bm **G** **D**
Let him see, yeah, let him see
 Bm **A**
Behind my dark glasses
 G **D**
There s a man who has some feelings too
Bm **G** **D**
Let him be me, yeah, let him be me
