Nik Kershaw

Nik Kershaw - Dark Glasses

F#

Let him be me
Let him be me

G#m **F#** **E**
I am a yes-man i stay in line

F# **B** **F#**
I do what they tell me

G#m **F#** **E**
I am theirs but I m still mine

F# **G#m** **F#**
I do what they tell me

E **F#** **G#m**
I do what they say

G#m **F#** **E**
Taking orders as they come

F# **B** **F#**
I do what they tell me

G#m **F#** **E**
Always silent, never dumb

F# **G#m** **F#**
I do what they tell me

E **F#** **G#m**
I do what they say

B **Ebm** **C#**
Behind my dark glasses

B **F#**
There s a man who has a point of view

Ebm **B** **F#**
Let him see, yeah, let him see

Ebm **C#**
Behind my dark glasses

B **F#**
There s a man who has some feelings too

Ebm **B** **F#**
Let him be me, yeah, let him be me

F#
Let him be me

F#
Let him be me

G#m F# E
Never question wrong or right

F# B F#
I do what they tell me

G#m F# E
Never argue, never fight

F# G#m F#
I do what they tell me

E F# G#m
I do what they say

G#m F# E
Pull my trigger, close my eyes

F# B F#
I do what they tell me

G#m F# E
Act my part and tell their lies

F# G#m F#
I do what they tell me

E F# G#m
I do what they say

B Ebm C#
Behind my dark glasses

B F#
There s a man who has a point of view

Ebm B F#
Let him see, yeah, let him see

Ebm C#
Behind my dark glasses

B F#
There s a man who has some feelings too

Ebm B F#
Let him be me, yeah, let him be me

F#
Let him be me

F#
Let him be me

F#
Let him be me

F#
Let him be me

[Play Chorus]
Let him be me
Let him be me

B Ebm C#
Behind my dark glasses

B F#
There s a man who has a point of view

Ebm **B** **F#**
Let him see, yeah, let him see
 Ebm **C#**
Behind my dark glasses
 B **F#**
There s a man who has some feelings too
Ebm **B** **F#**
Let him be me, yeah, let him be me

B **Ebm** **C#**
Behind my dark glasses
 B **F#**
There s a man who has a point of view
Ebm **B** **F#**
Let him see, yeah, let him see
 Ebm **C#**
Behind my dark glasses
 B **F#**
There s a man who has some feelings too
Ebm **B** **F#**
Let him be me, yeah, let him be me
