

Out From Under You
Niki & Gabi

Please correct me if I m wrong!

[Verse 1]

G

C

Em

D

Had my heart beat under neath your stone cold fingers on me, can t believe i
called this love

G

C

Tied my dreams up so they couldn t run

Away when you said

Em

D

That i wasn t good enough

[Pre-Chorus]

G

C

I woke up today i must ve been in a coma

Em

D

But i never gave up and now i say that its over

[Chorus]

C

G

I can see the future in a panoramic view

D

Em

Never knew the sky was this shade of blue

C

G

Imma take a picture and send it back to you

D

This is what it looks like

Em

This is what it looks like

G

Out from under you

[Verse 2]

G

C

Em

Is it messed up if i wanna thank you for holding me down

D

Some how you made me strong

G

C

Em

I won t go back but im gonna use everything that we had

D

To get where i belong

[Pre-Chorus]

I woke up today and looked myself in the mirror
Said its to get out no nothings ever been clearer

[Chorus]

I can see the future in panoramic view
Never knew the sky was this shade of blue
Imma take a picture and send it back to you
This is what it looks like
This is what it looks like
Out from under youuuuuuu
Under youuuuuu
Under youuu
This is what it looks like
This is what it looks like

[Bridge]

I can see the future in panoramic view
This is what it looks like

[Instrumental]

C G D Em (x2)

[Chorus]

I can see the future in a panoramic view
Never knew the sky was this shade of blue
Imma take a picture and send it back to you
This is what it looks like
This is what it looks like

Out from under youuuuuu

D Em

Under youuu

C G

Under youuu

D

Em

This is what it looks like, this is what it looks like

G

Out from under you
