Tomorrow
Niki & The Dove

Db
A part of me own these grounds,
                  Ebm Bbm
but they re no longer mine.
           Db   **Gb**
I have to find a way home.
    Db
And you - you were all that I got;
             Ebm   **Bbm**
you kept me hanging on.
           Db   **Gb**   **Fm**
I have to make it on my own now.
Ebm   **Db** **Gb**
 Oh, the night is young,
       Ebm
and a hollow tooth
          Bbm
was all it took.

Db   **Ebm**   **Bbm**   **Db**   **Gb**

   Ebm   **Db**   **Gb**
And I tie the laces round my wrist;
        Ebm   **Bbm**   **Ab**
for the last time, meet me at the same place.

Eb
Oh, if tomorrow comes,
         Bb   **Cm**
I wanna waste my love
  Eb   **Ab**
on you like a pearl merchant.
             Eb
I m ready to learn what it takes to burn.
       Bb   **Cm**
I m gonna let you show me
         Eb   **Ab**
what it means to breathe fire.

Db
  I never knew what I want:
        Ebm Bbm
I let my body talk.
     Db   **Gb**
I was in a deep sleep.
   Ebm   **Db**   **Gb**
And I tie the laces round my wrist;

```
          Ebm                               Bbm       Ab
for the last time, meet me at the same place.

Eb
Oh, if tomorrow comes,
          Bb          Cm
I wanna waste my love
    Eb          Ab
on you like a pearl merchant.
                Eb
I m ready to learn what it takes to burn.
          Bb          Cm
I m gonna let you show me
          Eb          Ab
what it means to breathe fire.

Gb
  I kept on coming back -
Bbm                         Gb      Bbm      Ab
   I couldn t help myself.
 Gb
Soft flashes ahead of me
 Bbm                             Ebm
color my footsteps blue and milk.
Bbm
Can you really trust it?

Eb
Oh, if tomorrow comes,
          Bb          Cm
I wanna waste my love
   Eb          Ab
on you like a pearl merchant.
                Eb
I m ready to learn what it takes to burn.
          Bb          Cm
I m gonna let you show me
          Eb          Ab
what it means to breathe fire.
Eb
Ooh, if tomorrow comes,
          Bb          Cm
I wanna waste my love
Eb    Ab                           Eb
   on you like a pearl merchant.
                  Bb          Cm
I m ready - I m ready to learn.
Eb        Ab        Cm
  I m ready to learn.
```
