

So Cold

Nikisha Reyes

Hi, This is one of my favourite songs and I couldn't find chords anywhere so I figured some out. :) I'm not sure about whereabouts the capo goes but I think it's 4th fret. I play it higher so I wasn't sure.
Enjoy :D

Capo 4:

Em

Oh, you can hear me cry

C

See my dreams all die

G

From where you're standing

D

On your own.

Em

It's so quiet here

C

And I feel so cold

G

This house no longer

D

Feels like home.

Em

Oh, when you told me you'd leave

C

I felt like I couldn't breathe

G

D

Em

My aching body fell to the floor

Em

Then I called you at home

C

You said that you weren't alone

G

I should've known better

G

Now it hurts much more.

Em

You caused my heart to bleed and

C

You still owe me a reason

G **D**

I can't figure out why...

Em **C**

Why I'm alone and freezing

G

While you're in the bed that she's in

D

I'm just left alone to cry.

Em **C** **G** **D**

Ohhh...Ohhh...Ehhhh...Ehhh...

Ohhh...Ohhh...Ehhhh...Ehhh...

Ohhh...Ohhh...Ehhhh...Ehhh...

Ohhh...Ohhh...Ehhhh...Ehhh...

You caused my heart to bleed and

You still owe me a reason

I can't figure out why...

You caused my heart to bleed and

You still owe me a reason

I can't figure out why...

Oh, you can hear me cry

See my dreams all die

From where you're standing

On your own.

It's so quiet here

And I feel so cold

This house no longer

Feels like home.
