i thought she uses these chords during the whole song:

Bb **D** **G** **E**

Sometimes the second guitar plays this melody while the first guitar goes on with the chords:

```
E--0-----2-----3-----0-----|
B---4-----3-----4-----0-----|
G-----4---2-----5-----1-----|
D-----0-----5-----2-----|
A-----3-----2-----|
E-----3-----0-----|
```
