

**Jangle Town**  
**Nikki Sudden**

[Intro]

**C Dm Dm C**  
**C Dm Dm C**

[Verse 1]

**C Dm**  
Well you jangle into town  
**C**  
With a knife strapped to your knee  
**Dm**  
But when your friend, he comes home  
**C**  
You always run to him  
**Dm**  
And he says that I m stupid  
**C**  
But does he really know?  
**Dm**  
And if I m so broken  
**C**  
How come you took me home?

[Verse 2]

**Dm**  
So many things that we could have done  
**C**  
But I fell into your tears  
**Dm**  
And the coat that you gave, you gave to me  
**C**  
It just falls across the chair  
**Dm**  
And someday I ll wake up  
**C**  
And buy a new pair of shoes  
**Dm**  
I never said that I d break your heart  
**C**  
But it was enough easy to do

[Verse 3]

**Dm**  
Well all the things we never said  
**C**  
Are all that I recall  
**Dm**  
And I ll pretend I never knew you

**C**

Pretend I never touched you at all

**Dm**

Oh, I ll pretend I never knew you

**C**

Pretend I never touched you at all

**Dm**

I ll pretend I never kissed you

**C**

Pretend I never saw you at all

**Dm**

Oh, I ll pretend I never knew you

**C**

Pretend I never touched you at all

**Dm**

I ll pretend I never kissed you

**C**

Pretend I never saw you at all
