

Fighting For My Love

Nil Lara

Greetings UG people. First time writing out any chords to a song (online, anyway). Just lemme know if anything needs fixing and I will make sure to go back and do such.

(UNFINISHED - Will update soon)

Db Fm/C Bbm (Bbm) Ab Gb
I was taught when I was young to share myself to show my love
Gb Ab Bbm (Bbm) Ab Ab7
Smile at everyone Oh to shine above the sun
Db Fm/C Bbm (Bbm) Ab Gb
Now I m standing next to you I think I ve changed my point of view
(Gb) Gb Ab Bbm
I ve noticed you can tell
(Bbm) Ab Ab7 Db
You re fighting for my love

For my love, yes you re fighting for my love
For my love, yes you re fighting for my love

Many times I tried to talk to let you know someday I d walk
In me you found a drug an addiction to my love
I could swear I let you know I tried one day to let you go
You fight me all along
Yes you re fighting for my love

For my love, yes you re fighting for my love
For my love, yes you re fighting for my love

I know how it feels I ve been burned one time before
I still feel the scars on my lips
When I touch when I love when I kiss
When I kiss

Now I m calling back for you I figured out I m missing you
You re nowhere to be found oh I ve asked and looked around
Seems you found a better fish I must confess I had a wish
To love you all along
But you fight me for my love
Fight me for my love

For my love, yes you re fighting for my love
For my love, yes you re fighting for my love

Fight me

Oh yes yes yes you re wanting my love
You don t know how you re missing my love
Oh yeah yeah yeah you re needing my love
You don t know how you re fighting my love
