E **A** **E** **A**

Hey baby why'd you turn away I was about to say?

E **A** **A** **B**
 Something baby I thought would make you smile at least for a little while?

E **A** **E** **A**
Oh well baby that's the way it goes right from my head to my toes

E **A** **A** **B**

And you're the first to know I've got a brilliant plan I hope you understand

Chorus (distortion)

E	B	F#m	A
I	want	to	meet
in	two	thousand	and
three?			

E B F#m A
I want to see what the future can bring to me (I wanna)

F#m B E A
And when I do I'll meet you here my darling (yea)

F#m	B	E	A	F#m	B
E					
And when I'm free I'll be waiting where I said I would be well my love will you wait for me					

Verse

E A E A
What we've found is such a precious thing that's what I'm trying to sing but

E	A	A	B
Before I lose my nerve I better write down these words cause I don?t know what you?ve heard
