

Tonight And The Rest Of My Life

Nina Gordon

This is pretty much as close as it s gonna get
it s hard to find tabs for this song online for some
reason. It s such a great song ^____^
For those of you that want to play it, aren t
familiar with some of the chords, and are thinking
you don t have anywhere near enough fingers for chords
such as Gm, F, and Bb... it s really simple. You have to
bar the chords. Just simply place your pointer finger across
all the strings in the first fret for the F chord, and so on
like with Bb you d do the same and Gm would be the 5th fret.
If the note sounds funky, you re not pressing hard enough.
Don t worry, you ll get it. I figured em out and got
em soundin good after a few hours time.
Anyway, that pretty much covers it. Enjoy

weightlessness is passing over me

I feel so light

tonight and the rest of my life

tonight and the rest of my life--
