

**Glue**  
**Nina Nesbitt**

the verses and chorus (except for the first verse) start with this little intro before  
the A...and it s easier to play barre chords after the intro,  
so then you won t have to move you re hand quickly to the first fret once you re already  
in the 4th...

```
E|-----|
B|-----|
G|-----|
D|-----|
A|-----|
E|--0--2---4-----|
```

(1st verse palm muted)

7.8 we ve flown to the floor your sliding my ladder of priorities

**A** **F#m**  
I,I,I and you-ou went together like glue-ue-ue  
**D** **E**  
but now the waters coming in we re sliding apart  
**A** **F#m**  
I,I,I and you-ou went together like glue-ue-ue  
**A** **E**  
but now we re not sticking we ve gone dry

**A** **F#m**  
it was all suspicious, on the edge wondering what you were doing  
**D** **E**  
when the back of my head was showing, and your two faces were looking  
**A** **F#m**  
when will you ever come around, no wait its not the right way around  
**D** **E\*** (\* one strum)  
cause it was all always my fault wasn t it just

**A** **F#m**  
I,I,I and you-ou went together like glue-ue-ue  
**D** **E**

but now the waters coming in we re sliding apart

**A** **F#m**

I,I,I and you-ou went together like glue-ue-ue

**D** **E**

but now we re not sticking we ve gone dry
