

Hold You
Nina Nesbitt

Intro:

C G Am

F C G

C G Am

Your far away tonight,

F C G

I haven't seen you in a while.

C G Am

It always feels like a climb,

F C G

On this never-ending hill.

F C Dm

I keep saying wait just one more day,

F C G

but days slowly drift away.

F C Dm

And I can hold to the memories,

F C G

but they won't hold me in the same way, as you?

C F Am F

This distance between us has come and cut as clean as, a sharp blade.

C F Am F

This distance between us has made my heart as weak as, silk that's frayed.

C F

And I just wanna hold you, hold you, hold you now

Am F

you're the one that keeps me, keeps me, on the ground

C F

And I just wanna hold you, hold you, hold you now

Am F

can we turn this knife the blunt way around?

C G Am

I feel empty, my eyes are closed

F C G

It's getting dark and I'm alone.

C G Am

And I sleep next to my window,

F C G

Incase you decide to come home.

F C Dm

I keep saying wait just one more day,

F C G

but days slowly drift away.

F C Dm

The memories I have begin to fade,

F C G

Cause you re so far away?

C F Am F

This distance between us has come and cut as clean as, a sharp blade.

C F Am F

This distance between us has made my heart as weak as, silk that s frayed.

C F

And I just wanna hold you, hold you, hold you now

Am F

you re the one that keeps me, keeps me, on the ground

C F

And I just wanna hold you, hold you, hold you now

Am F

can we turn this knife the blunt way around?

G F F

I can only stay, one more day

G F F(hold)

It s like waiting on the rain, in a warm summer haze?

C (quietly) F Am F

This distance between us has come and cut as clean as, a sharp blade.

C F Am F

This distance between us has made my heart as weak as, silk that s frayed.

C (loud) F

And I just wanna hold you, hold you, hold you now

Am F

you re the one that keeps me, keeps me, on the ground

C F

And I just wanna hold you, hold you, hold you now

Am F

can we turn this knife the blunt way around? Now
