Not Me // Nina Nesbitt

*Intro: Am, Csus4, Am, C\**

**Am Csus4 Am C\***  
Keep trying to pinch myself,  
**Am Csus4 Am C\***  
Wake up from this bad dream,  
**Am Csus4 Am C\***  
You being with someone else,  
**Am Csus4 Am C\***  
Cause you re always with me,

**Am Csus4 Am**  
I only pushed you away,  
**Am C\* Am Csus4 Am C\***  
Hoping that you ll come back someday, soon,  
**Am Csus4 Am**  
But you couldn t care less,  
**C\* Am Csus4 Am C\***  
As my tears are falling down, on your chest,

**Am Csus4**  
So when you re holding her,  
**Am C\***  
But it doesn t feel the same,  
**Am Csus4**  
When your life starts to hurt,  
**Am C\***  
But you re the one to blame,

**Am Csus4**  
When you re chasing love,  
**Am C\***  
But it s all run away,  
**Am Csus4 Am C\***  
Just remember you let go,  
**Am Csus4 Am C\***
