Am

You re just a lighter

F

With no fuel to light our flame

C

You know I d fight for this

G

But you wouldn't do the same

Am

Cause you're just a diary

F

With a blank and empty page

C

But the story we wrote

G

I can't quite erase

Dm

F

G

But if you take this back I'll be waiting to come alive, come alive

Dm

I'll watch you fall to the ground

F

Cause there's just stone in your eyes now

C

We had it all, till we were found

G

We're just living these lies now

Am

But you're like the falling leaves

F

Whilst I'm still the oak tree

C

Cause you're the one to leave

G

Now I'm falling asleep

Am

You're like the broken keys

F

Whilst I'm just a broken home

C

And as I breathe in deep as I watch you leave

G

You're a statue of the boy I used to know
