refrão

verse 2:

**D**

I don't know if it's bad or good

**A**

Walking down the street, without you

**D**

I don't know quite what I want, one thing I've got

**A**

Is a good idea of what I'm not

**D**

I'm not lost, I'm just fighting

**A**

My way, in the world

**D**

I'm not lost, I'm just fighting

**A**

My way, in the world

**D**

In the big old world.

Chorus

**Bm**

And I storm, out of work

**G**

And I take my seat

**Bm**

At the front of the bus

**A**

And my headphones bleed

**Bm**

And right there, in a flash

**G**

With tears on my cheeks

**A**

I can suddenly see

**D**

We're not lost, we're just fighting

**A**

Our way, in the world

**D**

We're not lost, We're just fighting

**A**

Our way, in the world

**D**

In the big old world.

Chorus x2

**D**

I'm not lost, I'm just fighting

**A**

My way, in the world

**D**

In the big old world.
