verse 2:

```
D
I don t know if it s bad or good
Walking down the street, without you
I don t know quite what I want, one thing I ve got
Is a good idea of what I m not
I m not lost, I m just fighting
My way, in the world
I m not lost, I m just fighting
My way, in the world
In the big old world.
Chorus
      \mathbf{Bm}
And I storm, out of work
And I take my seat
        \mathbf{Bm}
At the front of the bus
And my headphones bleed
          Bm
And right there, in a flash
With tears on my cheeks
I can suddenly see
We re not lost, we re just fighting
Our way, in the world
We re not lost, We re just fighting
Our way, in the world
In the big old world.
Chorus x2
```

I m not lost, I m just fighting

My way, in the world

In the big old world.
