

Just to make enough to disappear  
Em C  
So now she's chilling in Chang Mai  
G D  
She's a runaway with a round trip flight  
C G D G  
But she'll be back for more

Am  
Fizzing nights with cheap champagne  
C  
Kissing strangers without names  
G D  
The world began in 1994  
Am  
You'll be you and I'll be me  
C  
The rest is still a mystery  
G D  
The only thing we really know for sure  
C G D G  
Is we'll be back for more

Em C G  
And all I've got is this guitar  
Em C G  
I'll let it take me near or far  
Em C  
'Cause staying here is not enough  
G D  
I wanna know what I'm made of  
C G D G  
But I'll be back for more

Am  
Fizzing nights with cheap champagne  
C  
Kissing strangers without names  
G D  
The world began in 1994  
Am  
You'll be you and I'll be me  
C  
The rest is still a mystery  
G D  
The only thing we really know for sure

C G D G

Is we'll be back for more
