Chords By: naguenyong vinx

```
   Intro: C-Dm-C-Dm-C-G-;
                  Oh yeah

           C                    Em
   Take me away from the real world
        Am                      Em
   Far away, is this what we deserve
                 F                    C
   Even if we try to hide this identity
        Dm                    G
   Someday we ll meet in victory, oh oh

              Refrain
  Am
   Now that I found out
               Em
   There s something out there
  C                        F
   Up in the sky, there s the reason why
           Dm           F        G          G pause
   We ll fly together and fight together

              Chorus
              F
   Even if we collide
       G                      C
   And burst our hearts in the sky
           Am                Dm
   We ll find the answers inside
                 C
   We belong together
                   Dm          G
   We are one in a kingdom of light
                 F
   Even if we collide
       G                   C
   We ll find the reason to fight
      Am                    Dm
   And we will meet side by side
                 C
   The power within us
                     Dm
   We ll take us there
```

```
                    G
We ll make it there
                F/C-Dm-C-Dm-;
Even if we collide

        C
So don t be afraid
        Em
We ll make it through
     Am                Em
Far away, love will find the truth
            F                      C
Even if we try to change this reality
   Dm                      G
Someday we ll rise in victory, oh oh

(Repeat Refrain)

(Repeat Chorus)

          F            G
We must fly together
     F         G
And fight together

(Repeat Chorus except last word)

           F/C-C-F/C-Dm-G-C
       ... collide
```
