

**I Do**  
**Nina (Philippines)**

::I Do by Nina::

[Capo on 1st Fret]

Verse:

**G** **A**  
I can sense what you ve been thinkin  
**G** **A**  
You wanna know if what I feel  
**G** **A**  
Is undoubtedly the real thing  
**G** **Bm**  
Does your touch give me chills

Refrain:

**G** **A**  
If you think I have no interest  
**G** **A**  
In the things you say and do  
**G** **A**  
Baby if we close this distance  
**G** **A**  
I m gonna prove to you that

Chorus:

**G**  
I m ready if you re ready and you  
**A**  
know I wanna play  
**Bm**  
Baby come and get your girl cause  
**A**  
I got somethin to say to you  
**G**  
Gonna tell you what you wanna  
**A** **Bm** **G**  
Hear boy and it s oh so true

Chorus 2:

**Bm**  
Do I like the way you re kissing me  
**G**  
I do, yes I do

**Bm** **G**  
Do I think about the birds and the bees

**G**  
You know I do

**Bm**  
Cause there ain't no ifs or maybes

**G**  
Do I wanna be your baby

**D** **A**  
Yes I do I do I do

Chorus 3:

**Bm** **G**  
Do I like the way you complement my style

**G**  
Yes I do

**Bm** **G**  
Do I like the way your jokes can make me smile

**G**  
You know I do

**Bm**  
Been thinking bout it lately

**G**  
And I wanna be your baby

**D** **A**  
Yes I do I do I do

Verse 2:

**G** **A**  
I can see you got some issues

**G** **A**  
You're afraid to let love start

**G** **A**  
Many pieces of this puzzle

**G** **Bm**  
Are missing from your heart

Refrain 2:

**G** **A**  
I can heal the pain you're feelin'

**G** **A**  
I can fix the things you fear

**G** **A**  
Seems too obvious to mention

**G** **A**  
But you're the reason that I'm here yeah yeah

Repeat Chorus 1, 2 and 3

Bridge:

**G** **A**  
We could melt into the sun

**G** **A**  
Water colors start to run

**G** **A**  
As we lie between the blue and green

**G** **Bm**  
Maybe love changes everything

**G** **A**  
Tears won't wash away the hurt

**G** **A**  
Running from it doesn't work

**G** **A** **G**  
Cause love changes everything everything

**A** **Bm**  
everything

Repeat Chorus 1 and 2
