Verse 1:

**D**          **A**                  **Bm**  
I could stay awake just to hear you breathing,  
          **G**                  **D**  
Watch you smile while you are sleeping,  
          **Em**                  **A**  
While you are far away and dreaming,  
          **D**                  **A**                  **Bm**  
I could spend my life in this sweet surrender,  
          **G**                  **D**          **A**  
I could stay lost in this moment forever,  
          **G**                  **D**          **A**  
Every moment spent with you is a moment I treasure,

Cause I miss you baby,
