Bye Bye Blackbird Nina Simone

```
[Verse 1]
              D7
       Pack up all my cares and woe,
              C9
       here I go
                    singing low,
       F/A
             Abdim7 Gm7
                            C7
       Bye
             Bye
                    Black bird.
              Gm7
       Gm
       Where somebody waits for ]me
       Gm7
              C7
       sugar s sweet, so is she.
            C7
                    Fm7
                           F7
       Gm7
       Bye
             Bye
                     Black bird.
       F7
              Am7b5
                     D7
       No one here can love and under stand
              Gm7
                    C7
       o, what hard luck stories thay all
                                           hand
                                                   me.
       make my bed and light the light,
       Eb7
              D7
       I ll arrive
                    late tonight,
              C7
                   F
                          Dm7
                                Gm7
                                        C7
                  bye
       Blackbird,
                            bye.
[Verse 2]
       F
              D7
       Pack up all my cares and
                              woe,
           C9
                   F
                     singing low,
       here I go
             Abdim7 Gm7
       F/A
                           C7
             Bye
                    Black
                           bird.
       Bye
       Gm
              Gm7
       Where somebody waits for ]me
       Gm7
              C7
       sugar s sweet, so is she.
       Gm7
             C7
                   Fm7
                           F7
       Bye
              Bye
                     Black bird.
       F7
              Am7b5
                     D7
       No one here can love and under stand
              Gm7
                    C7
       o, what hard luck stories thay all
                                           hand
                                                   me.
       make my bed and light the light,
              D7
       I ll arrive
                    late tonight,
                    F
       Gm7
              C7
                           Bb
                                 Bbm6
                                        F6
       Blackbird,
                    bye
                            bye.
