(chords as for verse 1)

Heaven knows love is just a chance we take

We make plans but then love demands a leap of faith

So hold me close, never ever let me go

cos even though we think we know which way the river flows

That s not the way love goes, no

Chorus 2

(chords as for Chorus 1, without final Bb Ab)

It s always so surprising when love appears over the horizon
I ll love you for the rest of my days
But still, it s a mystery
How you ever came to me
Which only proves love moves in mysterious ways
