(B) [3x]
(F#, B, Bb, A)

Wait: F#

F#
I love you cause you re sympathetic,
you listen once and soon forget what I said, B
cause it s all in your head. G# A

F#
I love you like a new adiction,
you kiss me once and then go missing,
so long, you ve been gone all along, B G# A

G#
With your happiness and satisfaction,
distorted by the big attraction,
C#

I cut you down and set you free,
Bb B
I pull the darkness over me.
Dm B Dm B
I can t help it, (I can t help it)
Dm B, C#, D#m
I can t help myself
Dm B Dm B
and you know it, (And you know it)
Bb B C# D#m
cause there s nobody else,
Bb B C# Dm
yer, there s nobody else.

F#
Waking up was not so easy, you sobered up quite completely
B G# A
Feel down, there was no one around

G#

But, your sentimental chain reactions,
tied to all the old distractions,

C#

I held you temporarily,

Bb

B

to rest your bones here next to me.

Dm

B

Dm

B

I can't help it, (I can't help it)

Dm

B, C#, D#m

I can't help myself

Dm

B

Dm

B

and you know it, (And you know it)

Bb

B C# D#m

cause there's nobody else,

Bb

B C# Dm

yeah, there's nobody else.

Solo: (**F#, Bb, B, F#, Bb, B, Dm, Bb, F#, B, Bb, B**)

G#

It's just happiness and satisfaction,
safely in the ground reaction,

C#

it'll make you who you wanna be,

Bb

B

I pull the darkness over me.

Dm

B

Dm

B

I can't help it, (I can't help it)

Dm

B, C#, D#m

I can't help myself

Dm

B

Dm

B

and you know it, (And you know it)

Bb

B C# D#m

cause there's nobody else,

Bb

B C# Dm

yeah, there's nobody else.

F#

Nobody else
