

Lee Lee
Nine Days

Where are you LeeLee Sobieski
These feelings I have don t grow on trees anymore
And its not as if you don t know
how your hair breaths when the wind blows
I am so moved
Let me be in your next picture
in your dreams so you can be sure
I am the one
LeeLee

(Repita o primeira verso)

It s a shame that I m so sad
while those around you act so bad
I could be better
It s a shame that I m so sad
while those around you act so bad
I could be better
