[Verse 1]
I want to crawl inside your womb,
I want to watch the rose on your cheeks bloom.
I want to be the face in the moon,
And watch the stars spin around your room.
[Pre-Chorus]
All your carefully worded letters,
         Bm7
And your carefully spoken words.
I will continue to evolve,
                                        F#m7
I will continue to revolve around your sun.
Cause you are the only one!
[Chorus]
Who understands who reaches out with both hands.
And even while your fading I m just shivering and waiting.
I will continue to evolve,
