D G Bm Em7
I can see that someone went and left you hanging from a string

D G Bm Em7
And if I pulled hard I could make you do most anything

D G Bm Em7
You can run from the past but mistakes are meant to last

D G Bm Em7 A
Between the lines...These are mine

G Em7 G
The moment that you go is the moment that you know

Em
That the best thing in your life is happening

G Em7 G
So look me in the eye... and say you'll never say goodbye

E D
I know the best thing in my life is happening now

D G Bm Em7

D G Bm Em7

D G Bm Em7
You can tell your father I know that he won't let you be

D G Bm Em7
Doesn't wanna believe... that you see him in me

D G Bm Em7
But the way that you lay so serene inside the gloom

D G Bm Em7 A
I don't care... I don't care

G Em7 G
The moment that you go is the moment that you know

Em
That the best thing in your life is happening

G Em7 G
So look me in the eye... and say you'll never say goodbye

Em G...
I know the best thing in my life is happening now

(agora mais rápido)

D G Bm Em7

And I won't let you ever fade

D G Bm Em7

Like a sunburn wasted in L A

D G Bm Em7

And if we fall down breaking all along the way

D G Bm Em7

I'll lift you up and that's a promise that I'll never break

D G Bm Em7

And then you won't

D G Bm Em7

And then you won't

D G Bm Em7

We sit on the steps... reading graffiti on the wall

D G Bm Em7

The smile on your face, more than words it says it all

D G Bm Em7

On your way you will find the meaning in the rhyme

D G Bm Em7 A

You are mine...You are mine

(...

G Em7 G

The moment that you go is the moment that you know

Em

That the best thing in your life is happening

Before we say goodbye ...just look me in the eye
