Drop D tuning (GDAD)

Main Riff

```
|-----|
|-----|
|-----|
|---/6-4-6--0---6-4-6--0-1-2--0-----|
(pre-chorus, dont play the open D at the end)
```

Chorus

```
|-----|
|-----|
|-----|
|---7-7-7-7-7-7-7-4-4-4-4-4-4--6-4-6--0-1-2/-----|
```

Thats about it, both riffs are repeated quite a lot throughout the song, so just keep doing the main riff, and listen for the chorus coming on.
