

Love Is Not Enough
Nine Inch Nails

Drop D tuning, little distortion. Nin style you know.

The riffs in the song go like this.

verse

```
|-----|  
|-----|  
|-33335|  
|-----0|
```

then chorus with a huge boost from guitars

```
|-----| |-----|  
|-----| |-----|  
|-33332~-| |-----|  
|-----| |-33330~-|
```

during the chorus at some points the f on the low d string (third fret) is
hammed on

the open string. pretty easy tune. lots of fun to play though.
