No You Dont
Nine Inch Nails

Album: The Fragile (1999)
Tabber: Matt Smith
Date: July 31, 2006

Drop D Tuning: D, A, D, G, B, E

This is the entire guitar part. It is repeated throughout the song.

```
e|-----------------------|
b|-----------------------|
G|-----------------------|
D|-2-0-2-2/3-2-0-2-3-5/6-0-|
A|-2-0-2-2/3-2-0-2-3-5/6-0-|
D|-2-0-2-2/3-2-0-2-3-5/6-0-|
```

That s about it. Pretty simple. I m fairly certain this is correct.
