

The Only Time
Nine Inch Nails

This tab was done off the bootleg Purest Feeling . The bass line for the version i tabbed is the same as the one on PHM, but i like this beat better. This is the main line repeated (almost) endlessly=

I m drunk...

G:-----:
D:-----0-0---:
A:-----0-0-----3-:
E:-----:

and this is in one or two parts=

G:-----:
D:-----0-0-----:
A:--0-0---0-----3-03-:
E:-----3-----:

It s really easy. Just listen to the song and play til your fingers bleed.
