D D9 D7M D5

Now I m thumbing through the pages

D D9 D7M D5

Of the beautifully romantic years

Bm G

I can hear you, dear

(Bm , A)

G

Cause right in front of me,

Bm A

You disappear

G

You re still vanishing

Bm A

You left me here, but I m not

G Bm A

All alone, not all alone

G

Cause right in front of me

A

You re still here.

Dear daddy don t you miss me?

Cause in heaven there s no room for tears

I can feel you here

And as I m thumbing through the pages

Seems forever s just too far away

When we meet again

I ll remember when

Right in front of me

You disappeared

You re still vanishing

You left me here, but i m not

All alone, not all alone

Cause right in front of me
