Believe Your Eyes Nine Lashes

Believe Your Eyes by Nine Lashes (World We View, 2012) Lyrics from http://www.azlyrics.com/

Well here goes, just one note in particular. I do realize that there is a change

from E to another similar chord (although I could be hearing it wrong) from the first line of each verse to the second one, so if anyone would like to correct me

on that, please feel free to do so. This also applies to any other areas of this

song, as I did this simply by ear. Hope it helps!

Also, I m not sure if it will show up as such, but for C/B, I do: 032000.

Capo 3
